Note

The “Jubilee” Index to the *Publications of the Thoresby Society* volumes I–XXXVIII (1889–1939) was issued in 1941, followed by the Index to volumes XXXVII–LI (1939–1968) issued in 1968. This Index to volumes LII–LXIII (1969–1990); Second series volumes 1–14 (1991–2004) follows broadly the plan of the earlier indices. References in Roman numerals are to volumes in the first series of the *Publications* (volumes **LII–LXIII**, 1969–1990), and those in Arabic numerals to the Second Series (2nd ser. **1–14**, 1991–2004).

We would like to acknowledge the work of Judith Rushton in typing out this manuscript.
